Thank you to the Dr. John Unruh Foundation for our new AirBrush system. The students are learning various techniques. Here is Tyler airbrushing a temporary tattoo on Emma's face.

### MIDDLE SCHOOL MATH

Well, the class is all kneeling, which is strange. In their heads, they're solving Systems of Equations. Specifically, they're using the Linear Combination Method to solve the equations. Reason for kneeling could be that they're all praying for the right answer. 😊

### **Veteran's Day Parade** **November 11**

Cobb School is planning on participating in the Veteran's Day Parade. Please let Mrs. Moore know if you'd like to be a part of marching with the school. There will be sign-up sheets on each classroom door. If you attend, please wear your red Cobb shirt. No Cobb shirt, just wear red.

SUGGESTION FROM A COBB PARENT:  
With the holidays right around the corner, it might be nice to have some gift ideas for the Cobb Staff. Each staff person filled out a form with their items of interest. If you would like to see a particular person's list, stop by the office; they are all in a notebook there.

## November 2011

### HEADLINE NEWS

From: Diane Dunas  
Executive Director

Hello families,

There has been lots of learning going on at Cobb School! It is always a pleasure to walk through classrooms and see students engaged in learning. The staff here is amazing, pitching in where they see a need and going the extra mile. Staff spent a day and a half working together on Oct. 6<sup>th</sup> and 7<sup>th</sup> aligning their curriculum, making sure we are teaching according to the Oregon state standards and also developing professional goals.

The month of October was full of lots of activities and fundraising. Between the Walkathon, carnival and our Founders' Dinner, we were able to raise over \$10,000 and purchase new tables and chairs for the lunchroom. Thank you kids and parents.

Halloween was celebrated with lots of parents coming in to decorate classrooms and help out with parties. Of course the Halloween Serpentine was a success with many local businesses contributing.

Looking forward to a great month in November with conferences, Thanksgiving celebrations with our Cobb school family and also upcoming discussions on the future of Cobb School. Thank you to all of you who contribute time and money to keep Cobb School the special place it is!
