

# Cobb School Kindergarten

November 22, 2010

Dear Family:

By the time you read this note, I will have met with you and given a progress report on your child's education here at Cobb School. I consider it my privilege to be your child's teacher. We are having a very good year.

During the holiday season, from Thanksgiving to our Christmas break, we will be learning about the different customs and celebrations enjoyed around the world. Some of these include St. Nicholas Day, Hanukkah, La Posadas, The Nativity, Kwanzaa, and others. My past classes have really enjoyed these special times together.

**HAVE A GREAT THANKSGIVING HOLIDAY !!!**
